JCI Makati met up with Prince Frederick

10/05/2008 14:42 by jcimakati

Another update for everyone for JCI Makati's international news. JCI Mem. Ruel Fundales (JCI Makati's Ambassador for Europe) finally got the chance to hook up with JCI London. It was very timely as the chapter is hosting events this week and the chapter President and her business director gladly invited JC Ruel to meet up with them.

So last May 8, as part of their international guest list and as representative of JCI Makati, JCI Mem. Ruel Fundales attended the JCI London sponsored European Capitals Meeting (ECM 2008) - an annual event wherein delegates from JCI chapters of key cities in Europe gather for a 2 day event to discuss global issues, unity projects in Europe and host the other delegates. London is hosting it this year and invited guests included Brian Savannah (2008 World Vice President) and Richard Tong (JCI Manchester President). Going forward, Sofie Sandell, JCI London President, will include me in their events.
